HC28**

IN-STORE PURCHASE ONLY

## Pian Pian Designer Steve Lueng

The Pian Pian bedside table offers a new practical and visual experience by playing with contrasting open and closed spaces. With rounded corners, the structure is clean and smooth. If purchased as a pair, the lacquered drawers can be placed on the right or left side of the bedside table, as desired. **STRUCTURE** Edges of top and legs in solid wood, other part in veneer on particles board, face of drawer in lacquered MDF wood **FINISHING** Whole piece in walnut or stained oak except face of the drawer in lacquer (Walnut & Capuccino Lacquer) **CHINESE ARTISANS** Highly skilled Chinese artisans sculpt each piece of furniture into perfection, using only the finest quality woods, steel, leather and lacquers. These resulting functional pieces of handicraft can surely be the perfect solution for any design need, whether it is a full house furnishing project or just adding a few accent pieces to an existing home/office environment. HC28 provides more than 200 products adapted to four major interior house spaces: the living room, the dining room, the home office and the bedroom. **Featured sculpture "Gold Torso" in (Ceramic and Mixed Media) and Featured Artwork "Tuxedo and Little Black Dress" (Acrylic and Mixed Media on Canvas) © Annette Saker** Artwork Tuxedo and Little Black Dress, whilst they're all about the feeling they are both traditional and modern, the rustle of silk and refined bling. Annette Saker has been a successful textile artist for many years, using fabrics in dramatic and sculptural ways. Saker has loved the opportunity of using diverse mediums with fabric, which has lead to her more recent sculptural work in clay and painting on canvases. Currently on display at the DOMO Sandringham showroom, product enquiries can be made at your nearest DOMO showroom.
