

**QUADRIC RUG
LIGNE ROSET**

IN-STORE PURCHASE ONLY

Designed René Barba

Given the public's enthusiastic reaction to the chequered motif of his Paper Lamp large table lamp, René Barba quite naturally thought he would try using it on the larger surface of a rug. The white background/black motif of the light is echoed on the rug in its 'negative' form, with a black background and white motif. Hand-tufted rug in 100 % wool (tufted background has 'shaved' finish; tufted white lines have 'looped' finish).
