The DOMO Homewares Collection is sourced from exclusive suppliers and artisans around the world. Our range is constantly evolving with the regular arrival of new products that complement our carefully curated selection of contemporary and classic furniture. Every year our in-house styling and design team attend the most prestigious international trade fairs, to source coveted pieces and to keep abreast of the latest developments in colour, form and materials. With this ongoing research, our Homewares Collection continues to stay in tune with interior trends and includes products by a wide range of local and international artists, designers and makers. At DOMO we understand that unique and beautiful accessories can transform a house into a home that expresses personality and taste, and our mirrors, rugs, lighting, soft furnishings (cushions and throws), vases and artwork are sure to add the finishing touches to your interior. Framed Print: Artist Giorgio de Chirico.
