

**SITAR LAMP**  
**LIGNE ROSET**

IN-STORE PURCHASE ONLY

**Design by Christian Werner**

The name Sitar suits this superb table lamp perfectly: the depth and brilliance of the black finish of its shade and base bring a note of luxury, much like the Sitar itself, which is often finished in precious materials. Here, Christian Werner celebrates nostalgia through his extremely refined design and the nobility of his chosen materials, black mouth-blown glass.
