

**GRAF SIDEBOARD  
HC28 COSMOPOLITAN**

PLEASE CONTACT YOUR LOCAL SHOWROOM FOR AVAILABILITY

**Design: Christophe Delcourt**

GRAF sideboard from GRAF collection interprets the scenic image with its horizontal element representing the creek and its vertical element representing the wood. Its crooked tabletop and angled wood frame come together in one piece. GRAF sideboard design breaks through traditional cubic shapes by using lines, light and shadow. It has multiple facades like a fine sculpture. The vivid design feels elegant and gives a sense of leisure. Prices start from \$4,150

**STRUCTURE:** Whole piece in solid wood and veneer on particle board
