

MERWYN OVAL DINING TABLE WITTMANN

IN-STORE PURCHASE ONLY

Design Sebastian Herkner

Bearing the unmistakable stamp of Sebastian Herkner, the Merwyn Dining Table adds a touch of levity to any interior design. Combining the Merwyn Dining Table with the Merwyn Carver and Dining Chairs, Sebastian Herkner has provided a complete dining vignette which utilises Wittmann's unique craftsmanship. The piping is a distinguishing feature, visually linking the chair and table. The broad table legs are covered with leather, with meticulously executed piping running vertically down each of the four outward-facing corners.
