

**CELIA HEADBOARD
SIKA DESIGN**

PLEASE CONTACT YOUR LOCAL SHOWROOM FOR AVAILABILITY

Designer Sika Design Team The Celia headboard is made from Indonesian sustainable rattan. This headboard is available in either Antique or Natural. The detailed bindings are inspired by butterfly wings and woven on frames of rattan by skilled wicker workers. Celia is a beautiful decoration that can stand or hang behind the bed in the bedroom. This headboard is quite unique and contributes to a cosy atmosphere for any bedroom. The design is Danish and by Sika-Design, which is located in Fyn near Rynkeby.
