LIGNE ROSET

PLEASE CONTACT YOUR LOCAL SHOWROOM FOR AVAILABILITY

Design Charlotte Juillard A real feat of glassmaking, the Artifex vase in mouth-blown glass provides us with the perfect illustration of the designer's approach: the unusual association of cylinder and cube, the subtlety of their soft tones combines perfectly to bring us an object which is at once masculine and feminine, solid and poetic, functional and artistic. Two-part vase in mouth-blown glass. The 'holder' section is in a grey-blue stain whilst the upper section is in peach, displaying a frosted finish
