

PAIPAÏ SETTEE
LIGNE ROSET

IN-STORE PURCHASE ONLY

DESIGN BY LUCIDIPEVERE

Païpaï is a project which unfolded from a simple gesture : folding a piece of paper to create a closed shape. And thus a visibly comfortable cocoon seat is born. The folds mark the foam, shaping its contours and giving emphasis to the armrests, thus creating the identity of the settee, which was named after the Pai-Pai fan which itself has a characteristic rounded shape. The Païpaï collection was designed to offer the best possible seat comfort thanks to the height of the back and the judicious use of high-performance foams. The Papa range is available as a love seat, medium settee, large settee and footstool. Please contact your closest DOMO showroom for material availability and customisation enquiries.
