

**ULTIME BED
LIGNE ROSET**

IN-STORE PURCHASE ONLY

Design Philippe Nigro

In Ultime, Philippe Nigro has designed a bed which is very welcoming in appearance and instantly evocative of great comfort. Viewed in profile, as welcoming as it may be, the slender line of the headboard, suspended above the floor, is no less remarkably light and dynamic thanks to its spindle shape, like a flame arching towards the heavens. The Ultime bed successfully achieves the feat of being generous, soft, welcoming and very comfortable, whilst giving an extreme impression of lightness: like going to sleep on a cloud each night!

- Construction: Structure in tubular steel and panels of multiply. Carcase clad polyurethane foam. Legs in tubular steel.
- Comfort: Headboard in steel tubing and steel mesh clad in polyurethane foam, polyester quilting. Horizontal stitching.
- Contact your local DOMO showroom for fabric selection availability
