

ROSSINI SIDE CHAIR
SIKA DESIGN

PLEASE CONTACT YOUR LOCAL SHOWROOM FOR AVAILABILITY

Designer Sika Design Team 1006T Rossini side chair is designed by Sika-Design in collaboration with renowned Japanese designer Yamakawa. It is a classic design and has been in the collection for more than 20 years. Made from Indonesian sustainable rattan. The seat and backrest are handwoven on a frame of rattan by skilled wicker workers. Rossini side chair is elegant and does not need much space.
