

PRADO SETTEE LIGNE ROSET

PLEASE CONTACT YOUR LOCAL SHOWROOM FOR AVAILABILITY

Designer Christian Werner The Prado consists of a vast seat (sizes: 100 x 200 cm and 120 x 240 cm) which may be used either independently or with other elements, on which back cushions may be scattered at will. There is total freedom since these cushions, which are weighted and equipped with an anti-slip system, will remain in place without needing to be leant against or attached to anything. They could, therefore, be arranged on the floor for a few leisurely moments around a low table, whilst the seat could do duty as an occasional bed simply by turning over its seat cushion, the reverse of which is covered with mattress ticking. Another important and particularly interesting feature of Prado is the possibility of transforming it into a comfortable bed-settee, for the reverse of the seat cushion is covered in mattress ticking: simply turn the cushion over and use the optionally fitted sheet to create a comfortable sleep platform either 100 or 120 cm in width. Made in France.
