

HAP ARMCHAIR HC28 COSMO

AVAILABLE FOR ONLINE PURCHASE - PLEASE CONTACT YOUR LOCAL SHOWROOM FOR AVAILABILITY

Designer Christophe Delcourt The Hap is an armchair with fabric armrests and a leather backrest. It is a sculpturally plump swivel chair with smooth arms and back to create cocooning cosiness. The integral rounded cushion ensures complete comfort. Christophe Delcourt's tactile and visual imaginations for the armchair are fully realised. Combinations of different fabrics or leathers are available. Structure: Structured in solid wood and plywood, base in wood, swivel base. Seat: The seat cushion in high density foam polyurethane and dacron. Finishing: Upholstered with fabric and/or leather, and the options can be different for inside and outside of the back and arms, wood base in gold lacquer. This item can be customized using a wide choice of fabrics found in the store. The retail price will vary dependent on the fabric chosen. Pricing shown on the website is indicative of non-custom stock.
