

**ROCHER DINING CHAIR
LIGNE ROSET**

IN-STORE PURCHASE ONLY

Designer Hertel & Karhoefer

A resolutely urban graphic collection, easily accommodated and accessibly-priced. The Rocher collection picks up on the trend of fractal design as characterised by its faceted construction. In fact the shell of the Rocher chair, a black or white envelope which serves as a seat, back and arms, seems to have been cut like a diamond. It sits on four feet, which can be finished in chromed steel, black or white lacquer. This attractive seat is easily combined with a large number of dining tables, either classic or contemporary in style. Made in France.
