

PASCAL MOURGUE LIGHTING RANGE LIGNE ROSET

IN-STORE PURCHASE ONLY

Designer Pascal Mourgue

To celebrate the tenth anniversary of this light, Ligne Roset has rethought the materials, using some that were not available 10 years ago. The stems and integrated bases are now plated in copper, lovely in themselves, but Roset went all the way and coated the PVC shades inside and out in the same metal, which gives a gorgeous glow in the reflection of the light.

Maybe a bit 'Bling' or maybe a bit 'Cozy'. Somehow it's both.
