

PARACHUTE LIGHT LIGNE ROSET

IN-STORE PURCHASE ONLY

Designer Nathan Yong This time, Nathan Yong has applied himself to a styling exercise in which he has pushed himself to the very limit, an approach not dissimilar to the one adopted in the case of his Elizabeth armchairs. Parachute comprises 3 elements made from steel wire which are sold separately but may be freely associated in a large number of ways to create compositions of between 1 and 6 superposed elements. The end result is always very graceful and enables one to create a generously-sized, elegant ceiling light. Copper: Small \$250, Medium \$250, Large \$450 Black: Small \$295, Medium \$295, Large \$325 (plus fittings)
