**Craftmanship**

Our furniture is created from hardwood frames that are hand-assembled by our highly experienced craftspeople and guaranteed for 25 years. The hardwood frames are dowelled, glued and screwed providing a stable and robust foundation upon which we create our designs. We only choose and commission fabric designs from the most prestigious and innovative mills and all are exclusive to Duresta. Our pattern-matching skills are unrivalled, and our team takes an enormous pride in being able to sew precision seams when matching complex and large-scale patterns across separate upholstery components.

Duresta offers a wide range of upholstery sourced throughout the world, to ensure the widest choice of styles, colours and quality. Made in Nottingham UK.
