Classic style Bronze Floor Lamp with luxury shades Objet Insolite elegantly crafts their solid bronze lighting in their own workspaces in Paris, France. From sketchbook, to creation and to the final delivery Objet Insolite has a hand in every aspect of each piece produced. Augustin Granet, sole designer and founder of Objet Insolite designs with three basic criteria in mind: Creativity, Quality and Lifestyle. Objet Insolite is a leader in the Lighting industry for creating timeless and functional pieces of sculptural art. Their solid bronze lighting can be used in any setting from classical to contemporary and will give any décor the instant feel of simple elegance. Made from solid bronze in Paris, France. Shown in Bronze finish with Luxury Pierre Shades. Also available in Gold or Nickel finishes. Shades available in a range of colours in Silk Taffeta.
