

**TEATRO TV CABINET
HC28**

AVAILABLE FOR ONLINE PURCHASE - PLEASE CONTACT YOUR LOCAL SHOWROOM FOR AVAILABILITY

Design Luca Scacchetti Defining details of the Teatro cabinet design include a walnut or oak frame with sophisticated cutting-edges, stylish handles and thin lacquered base. Teatro cabinets available in two heights, provide hidden storage space with two open shelves at both sides. The lacquered doors or drawers are highlighted with elegant cutting-lines at the top and bottom. And the program comprises three lengths from standard to extra large to fit all interiors.
