

# UOVO

Steve Leung

The UOVO collection's design combines artistry and practical function. Its concept and craftsmanship help the furniture fit the more-is-less luxury contemporary style. It uses fluid and smooth lines to sketch out an advanced metropolitan feel. The curves turn, enclose, bloom and end in ways perfectly controlled to present the finest elegance.

## STRUCTURE

Structure in solid wood and plywood.

## SEAT

Seat cushion in high density foam polyurethane and dacron

## FINISHING

Upholstered with fabric or leather, base in walnut or stained oak
